

## NOTICE OF TEMPORARY CLOSURE

Given the strong messages from the Government around social distancing we have taken the decision to close Nico Manufacturing Ltd from 17.00 today ( Tuesday 24<sup>th</sup> March ) until further notice.

The decision has not been taken lightly but we believe it is important to take this step to protect the health and welfare of our staff as much as possible. We understand how unsettling the current volatility is and remain committed to implementing the best possible advice during these unprecedented times.

Our customers have always been valued by Nico Manufacturing, and we thank you for your support during these times of uncertainty. We will be in contact with further news when available and look forward to a positive future.

Yours Sincerely

Ian Harrison

Sales Director
